

Become a Member!

By becoming a member of NCMUG you join one of the largest and most active Apple User Groups in the country. Our many benefits include:

Monthly Meetings

General club meetings are held on the 3rd Tuesday of each month from 7pm to 9pm at the [Rohnert Park Senior Center](#). Each month offers a question and answer session, a guest speaker, plus door prizes and a great raffle.

Award-Winning Monthly Newsletter

NCMUG News, our official award-winning newsletter, is sent monthly to our members and filled with timely tips, product reviews, club happenings and more.

Special Interest Groups (SIGs)

SIGs meet at separate times and locations from the general meeting and are open to active members only. Current SIGs include Mac Basics, Intermediate, Genealogy and Video.

Member Mail Lists & Support

Any current club member may sign up for the NCMUG Mail Lists. Current events are discussed, and members use these lists for question and answer support. This is an invaluable resource for our member network community.

Membership Discounts

Vendors offer special discounts to our members regularly. As they become available, they are posted to the club's member announcement list. You must be an active member in good standing to utilize these offerings.

Member Website Network Listing

As an added benefit and promotion, all NCMUG members are eligible to have their websites linked to our Member Sites Page. This is another networking opportunity for membership support and comradeship.

Mac Computer Expo

This is NCMUG's annual fundraiser, usually held in October. This amazing exposition showcases the latest and greatest in computer software and hardware with a full lineup of well-known speakers and seminars covering current trends & technology. With 2010 marking its 17th year, MCE has become recognized as a role model event. As a club member, you will be the first to know all the details!

For more membership information, visit www.ncmug.org or email info@ncmug.org.
